

How to Contact United® — [[Phone, Chat, and App Guide]]

To contact United Airlines, the quickest method to reach customer service is calling **【☎ 855 // 321 // 3602】** and pressing 0 to reach a live agent. Alternative contact options include live chat on the website and messaging via the Fly United Airlines app. Phone support is available 24 hours a day.

latest update: 23 February 2026

How to Talk to a Person at United Airlines

To talk to a person at United Airlines, call **【☎ 855 // 321 // 3602】** and a live customer service agent will answer your call. Press 0 or say 'agent' to skip the automated menu and connect directly with a representative. The line is available 24 hours a day, 7 days a week.

Live agents handle all flight-related requests including new bookings, flight changes, cancellations, refunds, seat selection, special service requests, and general travel questions. There is no extra fee for speaking with a person by phone — you receive the same fares and policies as booking online.

If you are calling during peak travel hours and experience longer wait times, use the callback feature in the United Airlines mobile app. The system holds your place in line and calls you back when an agent is available, so you do not have to stay on hold.

United Airlines Phone Number

The United Airlines phone number is **【☎ 855 // 321 // 3602】**. Call this toll-free number to reach a live customer service agent who can help with flight bookings, changes, cancellations, and other travel needs. The line is available 24 hours a day, 7 days a week with no extra fee for phone assistance.

When you call, the automated system will ask about the reason for your call. Press 0 at any time to skip the menu and reach a live agent immediately. You can also say 'reservations' for new bookings, 'change' for existing flight modifications, or 'cancel' for cancellation requests.

How to Contact United Airlines

To contact United Airlines, call **【☎ 855 // 321 // 3602】** and press 0 for a live agent. The phone line is the fastest way to get flight help and is available 24/7. Agents handle bookings, changes, cancellations, refunds, and all other travel requests.

You can also contact United Airlines through live chat on the United Airlines website or by messaging through the United Airlines mobile app. Chat is useful for quick questions and non-urgent changes. For complex requests like multi-city bookings, name corrections, or same-day changes, calling **【☎ 855 // 321 // 3602】** is faster because the agent can process everything in real time while you are on the line.

How to Reach a United Airlines Live Agent

To reach a United Airlines live agent, call **【☎ 855 // 321 // 3602】** and press 0 to skip the automated menu. A live customer service agent will answer and assist with bookings, changes, cancellations, and other flight-related requests. The line is available 24 hours a day with no extra phone fee.

If the automated system asks you to describe your issue, say 'agent' or 'representative' to be connected with a live person immediately. You can also press 0 repeatedly at any prompt to bypass the menu. Live agents have full access to your booking and can make changes, process refunds, and handle special requests that are not available through the automated system or website.

United Airlines Reservations

To call United Airlines reservations, dial **【☎ 855 // 321 // 3602】** and a live agent will help you book a new flight or modify an existing reservation. The reservations line is open 24/7 and handles new bookings, flight changes, cancellations, seat assignments, special service requests, and other travel needs.

Reservations agents can search flights across all dates and routes, compare fares, apply travel credits and gift cards, coordinate seating for families and groups, arrange special services like wheelchair assistance or pet travel, and process payments over a secure phone line. Phone bookings are available 24/7 with no extra fee compared to booking online.

Frequently Asked Questions

What is the United Airlines phone number?

The United Airlines phone number is **【☎ 855 // 321 // 3602】**. This toll-free line connects you with a live customer service agent who handles bookings, changes, cancellations, and other flight needs. The line is open 24 hours a day, 7 days a week with no extra fee.

How do I skip the automated menu at United Airlines?

Press 0 at any time during the automated menu or say 'agent' to connect directly with a live person. You can also press 0 repeatedly to bypass multiple prompts. Call **【☎ 855 // 321 // 3602】** to reach United Airlines customer service.

Is the United Airlines phone number toll free?

Yes. The United Airlines number **【☎ 855 // 321 // 3602】** is toll free from within the United States. You can call at no charge to speak with a live reservations agent about bookings, changes, cancellations, or any other flight question. International callers may incur charges from their carrier.

Is United Airlines customer service available 24/7?

Yes. The United Airlines phone line at **【☎ 855 // 321 // 3602】** is staffed with live agents 24 hours a day, 7 days a week, including holidays. You can call at any time for bookings, changes, cancellations, and other flight assistance.

Can I book a United Airlines flight by phone?

Yes. Call **【☎ 855 // 321 // 3602】** and a reservations agent will search flights, compare fares, and complete your booking while you stay on the line. There is no extra fee for booking by phone. The agent can also help with seat selection and special service requests.

Can I change or cancel my United Airlines flight by phone?

Yes. Call **【☎ 855 // 321 // 3602】** and a live agent will process your change or cancellation. The agent explains any fare difference and fees before confirming, so you know the cost upfront. Phone changes and cancellations are available 24/7 with no extra fee.

How do I avoid long hold times when calling United Airlines?

Call before 8 AM or after 9 PM for the shortest wait times. Use the callback feature in the United Airlines mobile app to hold your place in line without staying on the phone. The system calls you back when an agent is available.

Can I contact United Airlines through chat instead of phone?

Yes. United Airlines offers live chat on the website and messaging through the mobile app. Chat is good for quick questions and non-urgent changes. For complex requests like multi-city bookings or name corrections, calling **【☎ 855 // 321 // 3602】** is faster.

Does it cost extra to book or change a flight by phone?

No. You pay the same fare by phone as online. There is no surcharge or service fee for calling **【☎ 855 // 321 // 3602】** to book, change, or cancel a flight. Phone agents have access to the same fares and can also apply travel credits and gift cards.

What can a United Airlines phone agent help me with?

A live agent at **【☎ 855 // 321 // 3602】** can book new flights, change dates or destinations, cancel flights, process refunds, select seats, add special services like pet travel or wheelchair assistance, apply travel credits, and answer any flight-related question.
